UNITED® BIKE

BICYCLE & E-BIKE

INNOVATION | TECHNOLOGY | DESIGN

2025 / 2026

Cycling is our passion!

We build what we desire, we create what we love, and we deliver what we truly believe in.

For years, United Bike has proven to be one of the largest bicycle manufacturers in Indonesia. A great passion of cycling has become the main priority in introducing our brand to the world as one of the most trusted bicycle brand. Since 1991, we have reached million people through our products and services, adding positive aspect to life.

Our collection which features a full range of mountain bikes, BMX bikes, city bikes, folding bikes, e-bikes, and children bikes has contributed to build United Bike becoming one of the most well-known, fastest-growing and widely-accepted brand in Indonesia, Asia, and beyond!

United Bike is not just about a brand. It's about a journey and experience of changing lives through cycling, and uniting people with the same purpose. We believe in BICYCLE.

MOUNTAIN RANGE

Looking for the right bike can be a challenge.
Enter our technology-based improved collection of mountain bikes
perfectly crafted to pump up your energy for cycling.

With geometry optimized for all types of mountain biking,
our bikes are purposefully engineered and equipped
to tackle any trail you desire.

Specifically designed and verified **by athletes & pro-riders!**

Whether a hardtrail or dual-suspension, alumunium or carbon fibre,
there is a speed machine for everyone to choose!

FOLDING BIKE

A folding bicycle is a bicycle designed to fold into a compact form, facilitating transport and storage. When folded, the bikes can be more easily carried into buildings, on public transportation, and more easily stored in compact living quarters or aboard a car, boat or plane.
